School Supplies Appeal

As we get close to the end of another school year, and decisions are being made on what to do with surplus and gently used school supplies, “Help for Missions” Society are asking that you consider donating them to their School Supplies Appeal. All items collected will be sent to developing nations and be greatly appreciated by these children who often have nothing.

Items of school supplies that still have “life” left in them:

1. New or gently used stationary supplies like paper sheets, notebooks (please take out written pages), binders, crayons, pens, pencils, erasers, sharpeners, scissors, cases, etc.)
2. Uniforms (school or sport) and usable sport equipment
3. Surplus library books and teaching resources

Please bring supplies to school no later than Wednesday, June 27.

We thank you in advance for your support.
