Flu & Cold Season

With the flu season here please keep in mind our policy for when your child is sick.

A child should not attend school if he/she has any symptoms of any communicable diseases. For example, cold, flu (fever), head lice etc. A parent is required to inform the preschool within 24 hours of a diagnosis. If your child shows any symptoms at school you will be contacted and asked to pick up your child. Please use your discretion when your child is showing signs of not feeling well, and do not send them to school. We will keep you updated with reminders but if you have any questions or concerns please contact us.

Parking Safety

Parking around the school has been very busy these last couple of weeks. For the safety of the children, we ask that you please take extra care when parking around the school. If you have any questions please do not hesitate to ask. Thank you.

Please Note

When dropping off and picking up your children from preschool, please avoid entering the premises to seek out other siblings while school is in session. This can be a distraction to the children and can become a safety hazard. Also, please do not allow your children to climb the school fences as this can also be a safety hazard. Thank you!
