May 6, 2020

Dear Parents/Guardians

You have indicated that you require child-care during this pandemic crisis. If this is still required, then I ask that you prepare your child for what they will be experiencing. If you have decided that you no longer require this service, then please send me an email (office@myolosschool.com) so I can notify the supervision staff.

If your child/ren is ill, they need to stay home.

To ensure the health and safety of your child/ren please prepare them by discussing the following:

- Before you come to school please carefully read and discuss with your child/ren the information in the document from the BC Centre for Disease Control and the Ministry of Health *COVID 19: Public Health Guidance for K-12 School Settings* (find this attached)
- Students will be assigned their own table and chair for work, eating and playing space
- Students will be assigned a space in the room for them to hang their bags and belongings
- Students will be assigned their own washroom stalls
- **Students will be independent during their online learning**
- Students will be in isolation from others, practicing social distancing
- Students will be asked to frequently wash their hands and clean their work/play area

Please understand that our focus at this time is child-care support. The B.C.'s pandemic response plan is to ensure that children of Essential Service Workers are cared for so that their parents can continue to work. Learning opportunities for your child/ren will be developed and phased in over time.

A staff member will be present from 8:30 a.m. to 3:30 p.m. to supervise your child/ren and to answer any questions or concerns that you may have.

Please bring your child/ren directly to the Gym. A staff member will be present to greet you.

Upon arrival you will be asked about the health status of your child. Your child will also be asked similar questions. Please note that if your child/ren displays any Covid-19 symptoms and/or is

deemed to be ill by Our Lady of Sorrows staff, your child/ren will be refused entry and you will be required to return home with your child/ren.

What to bring for a successful day:

- Snacks
- Lunch
- Water bottles (students will not be allowed to use the water fountain but will consume water from the tap if needed)
- Writing instruments (workbooks, pens, pencils, markers etc.)
- Personal Electronic Device with headphones
- Books to read
- Simple washable toys to play with
- Outside coat (weather dependant)
- Students should wear comfortable clothing and shoes

Thank you and stay safe,

Sincerely,

P. Balletta
Principal
