

# Go Gray in May!

Come together for Brain Tumor Awareness Month, a month dedicated to supporting, empowering, and amplifying the voice of the brain tumor community.

OLS school is here to support Gray May. In fact, our very own grade 7 classmate, Sam Rangel Gil demonstrates continued strength fighting his own courageous battle with a brain tumor. Diagnosed at the age of 8, he has persevered and demonstrated the positive attitude it takes to combat this difficult disease.

You can help the cause by dressing down on May 31<sup>st</sup> in gray, black, or white as well as bringing in \$2 that will be donated to brain tumor research, which is working hard to find a cure. Students will also be participating in fun activities and trivia games that bring attention to the various vital functions of the brain.

Please show your support and 'Go Gray for the last day of May'!

The leadership council thanks you in advance for your contribution.
