THIS WEEK @OLS SEPTEMBER 21 - 30

Dear Parents,

Thanks to the generosity of our previous Grade 7 classes, and their Legacy gifts of fundraising, we have the most recent and updated technology for our students to use in their classrooms. The school will be clearing out our older computer labs and will be selling our extra technology and accessories. We will be offering our 2012/2013 iMac computers, iPads, keyboards, bluetooth mice and other cables to our parent families first for great prices. All items will be cleared of files, reset and tested. These items will be available for pick up at our **Meet the Teacher Evening in the Library**. Mr. Stocker will send out a price list and specifications later this week. All monies raised will go back into our technology programs.
